### Subjects · Sujets

- A -

#### Abdomen

SESAP VII Question; Critique: Item 360 12; 52

#### Abdomen, acute

Acute abdominal emergencies in patients on long-term  
ambulatory peritoneal dialysis (Wellington and Rody)  
(OA) 522

#### Abdominal injuries

Hematuria and intravenous pyelography in children after  
blunt renal trauma (Rubin) (C) 206

#### Abnormalities

Acute mesenteroaxial gastric volvulus in an infant: a case  
report (Brzezinski and others) (OA) 233  
Pediatric free tissue transfer: an evaluation of 99 cases  
(Clarke and others) (OA) 525

#### Abscess

Is a long delay necessary before appendectomy after  
appendiceal mass formation? A preliminary report (Marya  
and others) (OA) 268

#### ACCT

See **Agence de coopération culturelle et technique**  
See **Agency for Cultural and Technical Cooperation**

#### Acetabulum

Total hip arthroplasty in rheumatoid arthritis: comparison of  
cemented and uncemented implants (Kirk and others)  
(OA) 229

#### Acquired immunodeficiency syndrome

Acalculous cholecystitis associated with cytomegalovirus and  
sclerosing cholangitis in a patient with acquired  
immunodeficiency syndrome (Keshavjee and others) (OA)  
321

The use of blood in resuscitation of the trauma patient  
(Hamilton) (RA) 21 [correction 114]

#### ACS See **American College of Surgeons**

#### Acylation

Thrombolytic therapy in peripheral arterial occlusive disease:  
mechanisms of action and drugs available (Comerota and  
Cohen) (SS) 342

#### Adenocarcinoma

Carcinoma of the prostate: case report (Warde and  
Gospodarowicz) (OA) 89

#### Adolescence

Bochdalek hernia with hemorrhage in an adult (Miller and  
Martin) (OA) 476

Hematuria and intravenous pyelography in children after  
blunt renal trauma (Rubin) (C) 206

Hematuria and intravenous pyelography in pediatric blunt  
renal trauma (Middlebrook and Schillinger) (OA) 59

Intravenous regional anesthesia in the treatment of forearm  
and wrist fractures and dislocations in children (Colizza  
and Said) (OA) 225

#### Adrenergic alpha receptor blockers

Transurethral resection of the prostate: Still the gold  
standard? (Ramsey) (QS) 9

#### Advanced Trauma Life Support Program See **Emergency medicine**

#### AF See **Alliance française**

#### Age factors

Open cholecystectomy: its morbidity and mortality as a  
reference standard (Girard and Morin) (OA) 75

#### Aged

Carcinoma of the prostate: case report (Warde and  
Gospodarowicz) (OA) 89

#### Agence de coopération culturelle et technique

Canadian Orthopaedic Association (SN) 187

#### Agency for Cultural and Technical Cooperation

Canadian Orthopaedic Association (SN) 187

#### AIDS See **Acquired immunodeficiency syndrome**

#### Alliance française

Canadian Orthopaedic Association (SN) 187

#### Alpha adrenergic blocking agents See **Adrenergic alpha receptor blockaders**

#### Alteplase

Intraoperative thrombolysis in peripheral arterial occlusion  
(Wasselle and Bandyk) (SS) 354

Thrombolytic therapy in peripheral arterial occlusive disease:  
mechanisms of action and drugs available (Comerota and  
Cohen) (SS) 342

#### Ambulatory care

Acute abdominal emergencies in patients on long-term  
ambulatory peritoneal dialysis (Wellington and Rody) (OA)  
522

#### Ambulatory care facilities

The spectrum of surgery in Ethiopia (Loutfi and Pickering)  
(OA) 91

#### Ambulatory surgery

Outpatient laser cone biopsy under local anesthesia (Stuart  
and Nation) (OA) 41

#### American College of Surgeons

Canadian Association of General Surgeons (SN) 96

Getting the message heard—Who should be the messenger?  
(Wexler) (QS) 111

Special announcement (SN) 96

#### Amylases

The clinical significance of acute hyperamylasemia after blunt  
trauma (Boulanger and others) (OA) 63

#### Anastomosis, Roux-en-Y

Bile duct injury during laparoscopic cholecystectomy (Roy  
and others) (OA) 509

#### Anastomosis, surgical

Laparoscopic gastrointestinal anastomoses (Anderson and  
O'Regan) (OA) 72

Late anastomotic ulceration after ileocolic resection in  
childhood (Paterson and others) (OA) 162

Stenosis of stapled colorectal anastomosis (Schaefer and  
others) (C) 297

An unusual intraoperative complication of stapled colorectal  
anastomosis: report of a case and review of the literature  
(Bard and others) (OA) 165

#### Anastomotic staplers See **Surgical staplers**

#### Anatomy

The anatomical basis for laparoscopic splenectomy (Poulin  
and Thibault) (OA) 484

Osteomyelitis of the spine due to *Salmonella*: case report,  
review of clinical aspects, pathogenesis and treatment  
(D'Souza and others) (OA) 311

State of the art of venous investigation and treatment  
(Jamieson) (CSVs RA) 119

Osteomyelitis of the spine due to *Salmonella*: case report,  
review of clinical aspects, pathogenesis and treatment  
(D'Souza and others) (OA) 311

State of the art of venous investigation and treatment  
(Jamieson) (CSVs RA) 119

Use of the external fixation apparatus for percutaneous insertion of pins in the distal one-third of the radius: an anatomic study (Vandersluis and others) (OA) 517

**Anemia, hypochromic**  
Late anastomotic ulceration after ileocolic resection in childhood (Paterson and others) (OA) 162

**Anemia, sickle cell**  
Osteomyelitis of the spine due to *Salmonella*: case report, review of clinical aspects, pathogenesis and treatment (D'Souza and others) (OA) 311

**Anesthesia**  
Beware of the Trendelenburg position during prolonged laparoscopic procedures (Gagnon and Poulin) (HD) 505

**Anesthesia, conduction**  
Intravenous regional anesthesia in the treatment of forearm and wrist fractures and dislocations in children (Colizza and Said) (OA) 225

**Anesthesia, intravenous**  
Intravenous regional anesthesia in the treatment of forearm and wrist fractures and dislocations in children (Colizza and Said) (OA) 225

**Anesthesia, regional** See **Anesthesia, conduction**

**Angiography**  
Carotid endarterectomy without angiography. The reliability of Doppler ultrasonography and duplex scanning in preoperative assessment (Cartier and others) (OA) 411

Progress of parathyroid surgery in Canada (Schmidt) (QS) 200

**Angioplasty, balloon**  
Long-term results of treatment for axillary subclavian vein thrombosis (Malcynski and others) (SS) 365

**Anti-inflammatory agents, nonsteroidal**  
Sulphydryl-containing agents in the treatment of gastric bleeding induced by nonsteroidal anti-inflammatory drugs (Salim) (OA) 53

**Antibiotics**  
Value of cultures of tissue samples taken at operation for lower intestinal perforation (Fraulim and Thurston) (OA) 261

**Antibiotics, combined**  
Foot infections in diabetics: the antibiotic choice (Asfar and others) (OA) 170

**Antibodies, monoclonal**  
*Diagnosis of Colorectal and Ovarian Carcinoma. Application of Immunoscintigraphic Technology. (Targeted Diagnosis and Therapy Series/6)*. Edited by Robert T. MacGuire and Douglas Van Nostrand (Greyson) (BR) 265

**Anticoagulant therapy** See **Anticoagulants**

**Anticoagulants**  
Long-term results of treatment for axillary subclavian vein thrombosis (Malcynski and others) (SS) 365

SESAP VII Question; Critique: Items 309 to 313 145; 159

Thrombolysis in peripheral arterial graft occlusion (Bandyk) (SS) 372

Thrombolytic therapy for deep venous thrombosis: a clinical review (Comerota and Aldridge) (SS) 359

**AOLF** See **Association d'orthopédie de langue française**

**Aorta**  
Aortoesophageal fistula secondary to benign Barrett's ulcer: a rare cause of massive gastrointestinal hemorrhage (Katal and others) (OA) 480

Medical memories: an aortoesophageal fistula (Grace) (QS) 406

**Aortic aneurysm, abdominal**  
Canadian Society for Vascular Surgery (SN) 97

**Aortic valve stenosis**  
SESAP VII Question; Critique: Item 256 434; 482

**Aortoesophageal fistula** See **Esophageal fistula**

**Appendectomy**  
Interval appendectomy (MacFarlane) (QS) 201

Is a long delay necessary before appendectomy after appendiceal mass formation? A preliminary report (Marya and others) (OA) 268

**Appendicitis**  
Interval appendectomy (MacFarlane) (QS) 201

Is a long delay necessary before appendectomy after appendiceal mass formation? A preliminary report (Marya and others) (OA) 268

**Appendix**  
Interval appendectomy (MacFarlane) (QS) 201

Is a long delay necessary before appendectomy after appendiceal mass formation? A preliminary report (Marya and others) (OA) 268

**Arm**  
Arm problems and psychosocial distress after surgery for breast cancer (Maunsell and others) (OA) 315

**Arterial occlusive diseases**  
Arterial diagnosis and management of acute thrombosis of the lower extremity (O'Donnell) (SS) 349

Intraoperative thrombolysis in peripheral arterial occlusion (Wasselle and Bandyk) (SS) 354

Thrombolysis in peripheral arterial graft occlusion (Bandyk) (SS) 372

Thrombolytic therapy for deep venous thrombosis: a clinical review (Comerota and Aldridge) (SS) 359

Thrombolytic therapy in peripheral arterial occlusive disease: mechanisms of action and drugs available (Comerota and Cohen) (SS) 342

**Arthritis, rheumatoid**  
Cemented and uncemented hip implants in patients with rheumatoid arthritis (Waddell) (QS) 199

Double stress fracture of the tibia in the presence of arthritis of the knee (Cameron) (OA) 307

Total hip arthroplasty in rheumatoid arthritis: comparison of cemented and uncemented implants (Kirk and others) (OA) 229

**Arthroplasty**  
*Total Knee Arthroplasty*. Edited by James A. Rand (Waddell) (BR) 407

**Association d'orthopédie de langue française**  
Canadian Orthopaedic Association (SN) 187

**Astrocytoma**  
The value of reoperation for recurrent glioblastoma (Dirks and others) (OA) 271

**Atherosclerosis**  
Arterial diagnosis and management of acute thrombosis of the lower extremity (O'Donnell) (SS) 349

 St. George, Regent (SN) 96

**Axillary vein**  
 Long-term results of treatment for axillary subclavian vein thrombosis (Malczynski and others) (SS) 365

- B -

**Bacteremia**

Piperacillin versus cefazolin given perioperatively to high-risk patients who undergo open cholecystectomy: a double-blind, randomized trial (Krajden and others) (OA) 245

**Bacterial infections**

Foot infections in diabetics: the antibiotic choice (Asfar and others) (OA) 170

**Bacteroides fragilis**

Value of cultures of tissue samples taken at operation for lower intestinal perforation (Fraulin and Thurston) (OA) 261

**Barrett-Stoddart report**

The case of Canadian general surgeons: getting the message heard (Raitton and others) (OA) 129

Operation Tundra Storm (Heughan) (QS) 113

**Barrett esophagus**

Aortoesophageal fistula secondary to benign Barrett's ulcer: a rare cause of massive gastrointestinal hemorrhage (Kataly and others) (OA) 480

**Bile ducts**

Multiple intrahepatic cholesterol stones (Sanabria and others) (OA) 255

**Biliary tract**

Acalculus cholecystitis associated with cytomegalovirus and sclerosing cholangitis in a patient with acquired immunodeficiency syndrome (Keshavjee and others) (OA) 321

Canadian laparoscopic surgery survey (Wexler and others) (CAGS) 217

Current management of choledocholithiasis (Keith) (QS) 7

Multiple intrahepatic cholesterol stones (Sanabria and others) (OA) 255

Piperacillin versus cefazolin given perioperatively to high-risk patients who undergo open cholecystectomy: a double-blind, randomized trial (Krajden and others) (OA) 245

SESAP VII Question; Critique: Item 52 301; 336

**Biomechanics**

*Mechanics of Human Joints—Physiology, Pathophysiology and Treatment.* Edited by Verna Wright and Eric L. Radin (Harrington) (BR) 572

**Biopsy**

Outpatient laser cone biopsy under local anesthesia (Stuart and Nation) (OA) 41

Soft tissue sarcomas: a plea for proper management (Munk and others) (OA) 178

**Biopsy, needle**

Technique for needle localization biopsy of the breast (Niloff and others) (HD) 209

**Birth defects** See **Abnormalities**

**Blister**

Thoracoscopic intracavitory drainage for pneumothorax secondary to bullous emphysema (Urschel and Dickout) (OA) 548

**Blood coagulation**

The use of blood in resuscitation of the trauma patient (Hamilton) (RA) 21 [correction 114]

**Blood specimen collection**

Modified technique for radial artery cannulation (Thavanathan and Heughan) (HD) 116

**Blood transfusion**

Blood use in resuscitation after trauma (Waddell) (QS) 11  
 The use of blood in resuscitation of the trauma patient (Hamilton) (RA) 21 [correction 114]

**Blunt trauma** See **Wounds, nonpenetrating**

**Bochdalek foramen** See **Digestive system abnormalities**

**Bone cements**

Cemented and uncemented hip implants in patients with rheumatoid arthritis (Waddell) (QS) 199

Total hip arthroplasty in rheumatoid arthritis: comparison of cemented and uncemented implants (Kirk and others) (OA) 229

**Bone grafting** See **Bone transplantation**

**Bone transplantation**

Anterior cervical corpectomy for the treatment of complex cervical lesions (Hu and Wilber) (OA) 85

*Bone Grafts and Bone Substitutes.* Mutaz B. Habal and A. Hari Reddi (Waddell) (BR) 320

Reconstruction of composite facial defects: the combined application of multiple reconstructive modalities (Antonyshyn and others) (OA) 441

**Book reviews**

*Advances in Cardiovascular Engineering, Series A: Life Sciences, Volume 235.* Edited by Ned H.C. Hwang, Vincent T. Turitto and Michael R.T. Yen (Salerno) 493

*Atlas of Gynecologic Surgery.* Raymond A. Lee (Steinberg) 283

*Atlas of Laparoscopic Surgery.* Edited by Eddie J. Reddick, William B. Sayo and John D. Corbitt Jr. (Koo) 284

*Atlas of Surgical Pathology.* John L. Turk and Christopher D.M. Fletcher (Emson) 183

*Atlas of Transvaginal Surgery.* Shlomo Raz (Im) 571

*Bone Grafts and Bone Substitutes.* Mutaz B. Habal and A. Hari Reddi (Waddell) 320

*Clinical Pediatric Urology.* 3rd edition. Panayotis P. Kelalis, Lowell R. King and A. Barry Belman (Steckler and Churchill) 280

*Colon and Rectal Surgery.* 3rd edition. Marvin L. Corman (Burnstein) 296

*Complications in Head and Neck Surgery.* Edited by Y.P. Krespi and R.H. Ossoff (Kotwall) 283

*Diagnosis of Colorectal and Ovarian Carcinoma. Application of Immunoscintigraphic Technology. (Targeted Diagnosis and Therapy Series/6).* Edited by Robert T. MacGuire and Douglas Van Nostrand (Greyson) 265

*Electrical Trauma: the Pathophysiology, Manifestation and Clinical Management.* Edited by R.C. Lee, E.G. Cravalho and J.F. Burke (Peters) 492

*Endoscopic Paranasal Sinus Surgery.* 2nd edition. Dale H. Rice and Stephen D. Schaefer (Fenton) 571

*Endovascular Surgery.* 2nd edition. Edited by S.S. Ahn and W.S. Moore (Common) 421

*Gastrointestinal Bleeding.* Edited by Choichi Sugawa, Bernard M. Schuman and Charles E. Lucas (Koo) 416

*High Tech Urology. Technologic Innovations and Their Clinical Applications.* Joseph A. Smith (Struthers) 570

*History of Orthopaedics.* David LeVay (Sorbie) 18

*Introduction to Vascular Ultrasonography.* 3rd edition. Edited by William J. Zwiebel (Campbell) 492

*The Knee: Form, Function, Pathology & Treatment.* Edited by Robert L. Larson and William A. Grana (Cameron) 492

*Knee Meniscus: Basic and Clinical Foundations.* Edited by Van C. Mow, Steven P. Arnosky and Douglas W. Jackson (Miniaci) 570

*Knee Surgery: Current Practice.* Edited by Paul M. Aichroth and W. Dilworth Cannon, Jr. (Waddell) 154

*Lasers in Head and Neck Surgery.* Edited by Edward C. Weisberger (Ruby) 573

*Mechanics of Human Joints—Physiology, Pathophysiology and Treatment.* Edited by Verna Wright and Eric L. Radin (Harrington) 572

*Operative Urology*. Edited by Fray F. Marshall (Pike) 207

*Orthopaedic Trauma Protocols*. Edited by S.T. Hansen Jr. and M.F. Swionkowski (Waddell) 572

*Osteoarthritis. Diagnosis and Medical/Surgical Management*. 2nd edition. Roland W. Moskowitz, David S. Howell, Victor M. Goldberg and Henry J. Mankin (Cameron) 379

*Pediatric Sinusitis*. Edited by Rodney P. Lusk (Schloss) 379

*Pediatric Surgery of the Liver, Pancreas and Spleen*. Edited by Medad Schiller; Series editor: Stephen L. Gans (Soucy) 177

*The Principles of Trauma Surgery*. Edited by Joseph A. Moylan (Burns) 70

*Radiosurgery: Baseline and Trends*. Edited by Ladislau Steiner (Whitton) 407

*Sabiston Review of Surgery*. David C. Sabiston Jr. (Heughan) 32

*Surgery: Scientific Principles and Practice*. Edited by Lazar J. Greenfield (Waddell) 270

*Surgery of the Ear and Temporal Bone*. Joseph B. Nadol, Jr. and Harold F. Schuknecht (Alberti) 493

*Surgical Decision Making*. 3rd edition. Edited by L.W. Norton, G. Steele Jr. and B. Eiseman. (Waddell) 573

*Surgical Revascularization of the Heart: the Internal Thoracic Arteries*. Edited by George E. Green and Ram N. Singh (Gelfand) 70

*Techniques in Therapeutic Endoscopy*. 2nd edition. Joseph E. Geenan, David E. Fleischer, Jerome D. Waye (Himal) 190

*Total Knee Arthroplasty*. Edited by James A. Rand (Waddell) 407

*Tracheal Reconstruction in Infancy*. Edited by Thom E. Lobe (Rubin) 284

*Wylie's Atlas of Vascular Surgery: Complications Requiring Reoperation*. Vol. 1. Ronald J. Stoney and David J. Effeney (Ameli) 207

**Brachial plexus**  
Beware of the Trendelenburg position during prolonged laparoscopic procedures (Gagnon and Poulin) (HD) 505

**Brain neoplasms**  
The value of reoperation for recurrent glioblastoma (Dirks and others) (OA) 271

**Breast**  
Arm problems and psychosocial distress after surgery for breast cancer (Mausell and others) (OA) 315  
Elemental iodine: Relief for the painful breast? (MacFarlane) (QS) 405  
Iodine replacement in fibrocystic disease of the breast (Ghent and others) (OA) 453  
Technique for needle localization biopsy of the breast (Niloff and others) (HD) 209

**Breast neoplasms**  
Arm problems and psychosocial distress after surgery for breast cancer (Mausell and others) (OA) 315  
Diagnoses made by frozen-section examination of surgical specimens in a small Canadian hospital (Hayes and others) (OA) 236  
Technique for needle localization biopsy of the breast (Niloff and others) (HD) 209

**British Columbia Cancer Agency**  
Cutaneous malignant melanoma (Temple) (QS) 115

**Budgets**  
The cardiac surgery program at the Royal Columbian Hospital: review of the first fiscal year (Fedoruk and others) (OA) 541

**Bulla** See **Blister**

**Burns, electric**  
*Electrical Trauma: the Pathophysiology, Manifestation and Clinical Management*. Edited by R.C. Lee, E.G. Cravalho and J.F. Burke (Peters) (BR) 492
